

Week 8

(6/1/20 – 6/7/20)

Watch the videos that you need to refresh yourself on finding slope from a graph, slope and y-intercept of an equation, and graphing an equation in slope intercept form.

Finding Slope

Khan Academy

<https://youtu.be/R948Tsyq4vA>

Identifying Slope and Y-Intercept

Khan Academy

https://youtu.be/Z65mz_8DQ0

Graphing

Marshematics

https://youtu.be/fF_I5KLqwP4

Marshematics (**Spanish Version**)

<https://youtu.be/1gVnXD90i-Y>

IXL – To review what we have learned please complete the following IXLs.

Slope - Y.1 **Identifying m and b** - Y.4 **Graphing** – Y.6
