

**Hello Beville students and parents,**

**With this unprecedented closing of school buildings for the remainder of the school year, we ask that you check out your individual teachers' webpages for ideas on activities and resources to review material already covered this year. These should be all updated by close of business Friday, March 27. As we get more direction from PWCS senior leadership, we will continue to adjust the material on these webpages as appropriate. Please stay tuned and monitor this space for updates.**

**Know that we all miss you and hope that everyone remains safe during these stressful times. Kids ... please listen to your parents as you would want them to listen to you! 😊 Take care and we hope to be able see everyone again real soon!**

**- Mr. Keenan & the entire Beville Staff.**
